

ADDENDUM FOR SCMU10 21/22-0033 A-F

FRAMEWORK AGREEMENT FOR REPAIRS / MAINTENANCE OF ROAD SIGNS AND ROAD MARKINGS FOR PROVINCIAL ROADS IN THE EASTERN CAPE FOR A PERIOD OF 36 MONTHS – SIX PROJECTS- SCMU10 21/22-0033 A-F

Prospective bidders are hereby informed of the following:

- The closing date is extended to **27 January 2021 at 11am.**
- Bidders must note that this is an expression of interest and prequalification of qualifying bidders. The contract data, pricing instructions and the third phase of evaluation (Price and BBBEE) will only apply in the second round of procurement which will be conducted with bidders who are successful in this expression of interest.
- A maximum number of 3 bidders will be awarded per district. The top three functionality point scoring bidders in each district will be selected into the database for the framework and participate in the next round of procurement.
- Bidders are not required to complete SBD6.2 and Annexure C at this stage, this form will only be completed when by successful bidders when pricing is required.
- The statement on page T1.5 that reads “**Tenderers may tender for one or more of the contracts, provided they have either a main office, satellite office or long-term Contract in the District or within 300km of the District that they are tendering in.**” is herewith corrected to read “**Tenderers may tender for one or more of the contracts, tenderers must indicate the districts and the nature of works they wish to be considered for on returnable schedule form C, page T2.8.** Locality will be considered for point scoring as per the functionality.
