May I be provided access to my already submitted bid to add an addendum issued after I had submitted my bid.	Bidders will <b>NOT</b> be granted access to amend already submitted bids. Bidders who wish to make amendments must deposit the amendments into the tender box in a sealed envelope, clearly marked with company and dated. The submitted amendments will form part of their bid documents.			
<b>PLANT HIRED</b> I would kindly like to enquire if is it going to be a problem or am I going to be disqualified, when I hire Plant from a Company outside of Eastern Cape.	Pg T1.7 stipulates that "Proof of ownership of the plant is required to be submitted. If the contractor does not own some or any of the plant listed above and chooses to hire some or all of the required plant, an original Letter of Intent is to be attached from the Plant Hire Company based in the District of this tender. The letter is to clearly indicate that the Plant intended for the Agreement will be available for the full duration of the project. The letter is to be unqualified and signed by a Commissioner of Oaths."
